Assignment of Copyright:

Please put a tick mark in the appropriate boxes given below:

I/we hereby assign CRJPAS with full title guarantee with all rights reserved to copyright related to the publishing rights in my article, in all forms and all media developed throughout the world, in all languages, where our rights include but are not limited to the right to translate, create edition, extracts, or derivative works and to sublicense such rights, for the full term of copyright (including all renewals and extensions of that term), to take effect if and when the article is accepted for publication.

I/we confirm that I/we have read and accept the full Terms & Conditions including my author warranties, and have read and agree to comply with the Journal's policies on peer review and publishing ethics. I/we certify that I/we have participated sufficiently in the logical content, conception, design and compilation of this manuscript or the analysis and interpretation of the data (when ever applicable), to take public responsibility for it and have agreed to have my/our name listed as a contributor. I/we believe the manuscript represents valid work with novel information and is free from plagiarism. Neither this manuscript nor one with substantially similar content under my/our authorship has been published or is being considered for publication elsewhere. I/we certify that all the data collected or represented in the study exist only in this manuscript and not elsewhere, and no data from the study has been or will be published separately in any forms elsewhere. I/we attest that, if requested by the editors, I/we will provide the data/information or will cooperate fully in obtaining and providing the data/information on which the manuscript is based, for examination by the editors or their assignees. Financial interests, direct or indirect from any governmental/non-governmental sector, that exist or may be perceived to exist for individual contributors in connection with the content of this paper have been disclosed in the manuscript. Sources of outside support of the project are named in the cover letter. I/We hereby transfer(s), assign(s), or otherwise convey(s) all copyright ownership, including any and all rights incidental thereto, exclusively to the Journal, in the event that such work is published by the Journal. The Journal shall own the work, including [1] copyright; [2] the right to grant permission to republish the article in whole or in part, with

or without fee; [3] the right to produce preprints or reprints and translate into languages other than English for sale or free distribution; and [4] the right to republish the work in a collection of articles in any other mechanical or electronic format. We give the rights to the corresponding author to make necessary changes as per the request of the journal, do the rest of the correspondence on our behalf and he/she will act as the guarantor for the manuscript on our behalf. All persons who have made substantial contributions to the work reported in the manuscript, but who are not contributors, are named in the Acknowledgment and have given me/us their written permission to be named. If I/we do not include an Acknowledgment that means I/we have not received substantial contributions from non-contributors and no contributor has been omitted.
